Dear Mr. Weed:-

I received your letter of Dec. 19, inviting me to join the American Numismatic Society. I had previously thought some of joining your Society, but I thought possibly you might have some restriction as to the age of members. I am but nineteen years of age, but I consider myself just as responsible as anyone else. I have signed the application card and am returning same herewith, if I am acceptable I shall be very glad to join, if not I will just postpone it a while. If my application is satisfactory I shall send the five dollars upon notice.

I should be pleased to have a few of your descriptive leaflets of the Society, I could likely place 4 or 5 of them where they might bring future members. I am at present a member of the American Numismatic Association, which is, I suppose, where you found my name.

Very truly yours,

Howard F. Hughes

Gentlemen:-

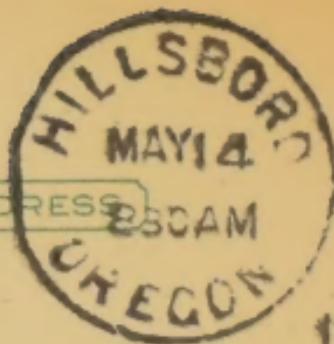

I regret very much the fact that I have not been able to pay my dues for 1924, the best thing for me to do is to resign my membership at present. I hope I may be able to renew it some time in the future.

Very truly yours,

Howard F. Hughes
